

Holocaust MEMORIAL DAY

27 Jan. 2025 | at 14:00 p.m.

Suffolk University

• Live

Simona Lazăr
CEO- Union Romani Voice

"My grandfather was eight when he was deported, his brother Baronica survived with him. He told us how they looked through the window when their parents and elders were taken to the gas. 10 members of their family were marched away – they turned back to say goodbye."

Remembering the darkness that we can
continue to live in the light!
